FOR IMMEDIATE RELEASE

UMDNJ AWARDS CONTRACT TO TRANSLATION PLUS *Translation Plus selected as a Preferred Translation Service Provider*

Hackensack, August 30, 2005. Translation Plus, Inc., a 14-year old full-service translations company headquartered in Hackensack, NJ, announces it has been awarded a Master Services Agreement by UMDNJ, The University of Medicine and Dentistry of New Jersey, the state's university of the health sciences, to provide translation and interpretation services in multiple languages.

UMDNJ is the nation's largest health sciences University. It is New Jersey's statewide system of health sciences education, biomedical research and HealthCare. Founded in 1970 to consolidate New Jersey's health professions education, UMDNJ has become the very core of the state's health sciences system. With five campuses and a network of more than 200 affiliated healthcare and educational partners spanning the state, UMDNJ touches the lives of almost every New Jerseyan every day. Its mission is both simple and inspiring-to enhance the health of all New Jerseyans through broad-based programs covering every aspect of the health sciences.

About Translation Plus, Inc.

Translation *Plus* is a global translation service provider with over 14 years experience providing accurate, timely and culturally sensitive translations to companies in key industrial sectors such as healthcare, manufacturing, pharmaceutical, technology, financial services, education, training, labor and membership organizations, energy and transportation. The company has developed the knowledge and readiness to understand, translate and render in the target language the material entrusted to their care. Clients trust that all languages provided to them respect the intent and content of the original communication. To learn more, visit www.translationplus.com.
